Accomplishments

Roomie — Roommate and apartment finding application
- There are a lot of people out there looking for roommates but not a lot of ways to connect them. That's where Roomie comes in!
- Once registered, the user enters information about him/herself, then can look at other people's profiles to determine whether they'd be suitable roommates.
- The website would then open a chat window with them allowing for easy communication.

Farmline— 2D Roguelike Adventure Game
- Goblins have stolen your animals, find them and get them back!
- I made all the scripts and environments for the entire game.
